<b>Parrot Dog – Pande-Monium – Pilsner</b>	11
A murder of crows, a parliament of owls, and a pandemonium of parrots. Our first-ever lager took flight among the 'new world' pilsners which put lively modern hop varieties onto the crisp, light and refreshing body of the classics. Easy and approachable but still very satisfying.	
<b>Parrot Dog – Clippedwing – APA</b>	11
Take the assertive deliciousness of an American Pale Ale and tame it — but just a little, not too much. Bold U.S. hop flavours are still in full effect and its strength has been very carefully trimmed to keep the delicate balance of malt intact.	
<b>Baladin – La Nazionale – Italian Ale</b>	13
An intentionally simple beer: Italian water, barley malt, hops, yeasts and two Italian spices (bergamot and coriander) which combine to create harmony and originality. Hoppy beer.
